

—Geoffrey Moore, author, *Crossing the Chasm*

“If you are an entrepreneur, read this book. If you are thinking about becoming an entrepreneur, read this book. If you are just curious about entrepreneurship, read this book. Starting Lean is today’s best practice for innovators. Do yourself a favor and read this book.”

—Randy Komisar, founding director of TiVo and author of the bestselling *The Monk and the Riddle*

“How do you apply the fifty-year-old ideas of Lean to the fast-paced, high-uncertainty world of startups? This book provides a brilliant, well-documented, and practical answer. It is sure to become a management classic.”

—Don Reinertsen, author, *The Principles of Product Development Flow*

“What would happen if businesses were built from the ground up to learn what their customers really wanted? The Lean Startup is the foundation for reimagining almost everything about how work works. Don’t let the word startup in the title confuse you. This is a cookbook for entrepreneurs in organizations of all sizes.”

—Roy Bahat, president, IGN Entertainment

“The Lean Startup is a foundational must-read for founders, enabling them to reduce product failures by bringing structure and science to what is usually informal and an art. It provides actionable ways to avoid product-learning mistakes, rigorously evaluate early signals from the market through validated learning, and decide whether to persevere or to pivot, all challenges that heighten the chance of entrepreneurial failure.”

—Noam Wasserman, professor, Harvard Business School

“One of the best and most insightful new books on entrepreneurship and management I’ve ever read. Should be
